Joachim Kastberg

## Vores ismager

Vores ismager Joachim Kastberg laver is med frisk mælk fra Them Mejeri, sin egen økologiske chokolade og masser af gode danske bær. Joachim udvikler is til restauranter og hoteller i hele Skandinavien – og vi er stolte af at kunne give jer allesammen chancen for at nyde Joachims fantastiske is her i Woodys.

*Our ice cream maker Joachim Kastberg makes ice cream with fresh milk from Them Dairy, his own organic chocolate and lots of good Danish berries. Joachim develops ice cream for restaurants and hotels in Scandinavia – and we are proud to give you all the chance to enjoy Joachim's fantastic ice cream here at Woodys.*
